Phoenix, AZ

MARIA HIMEBAUGH

Senior Director of Revenue Strategy
Marriott International

"Everyone at CSU goes above and beyond to ensure the distance students feel valued and included in the classroom experience. Even though this is a distance program, it has to be as close to the real classroom experience as possible."

San Jose, CA

LAURA HAMISCH

Office Specialist in Personnel

"I was able to visit CSU for the first time at my graduation ceremony, and I was so impressed with the campus. It made me even prouder to claim CSU as my alma mater."

Raleigh, NC

RON MCCULLOCH

Senior Scientist, URS Corporation

"The Colorado State MBA program has given me new tools to cultivate a more strategic view within various working groups. Each new course has offered real-time value in my professional life."

Atlanta, GA

ROBERT A. SAWYER

Assistant Recruiter Instructor, Master Sergeant
United States Marine Corps

"My greatest concern was finding a program that was flexible enough to accommodate my schedule and that had the highest level of accreditation: AACSB. When it came to my final selection, no university could compete with the experience in administering such a program coupled with the reputation and DVD delivery method of Colorado State University."

MARTINA WATERHOUSE

Director of HR and Safety Management
Vogel Concrete, Inc.
and High Country Pools and Spas, Inc.

"I have been able to deliver savings by applying what I have learned towards streamlining our inventory, applying my accounting principles and using my leadership skills with employees."

The curriculum combines innovative business theory with cross-functional academic content and management skills. As a result, you are able to interact more effectively with a range of business units and work outside your specific area of expertise to help your company meet its goals and objectives.

Put another way, our MBA program prepares you to lead people, drive organizational growth, increase company profitability and enhance your firm's competitive advantage. You already know that an MBA is a valuable asset. It is important to understand your business partners and their core values.
